

What do I need to bring?

Open Play Party

You have seating for 16 children (20 if they're tiny!) and 1 small table for your stuff. Please remember that other families will be having their special day as well, and because adults take up more room than children do, we encourage you **to keep your adult invitations to a minimum** to keep the facility enjoyable for all of the birthday children!

- Your camera/video recorder
- Socks! (Or we sell them for \$2...no socks=no jumping)
- Tablecloths...2 for Open Play or 3 for Private Party Room
- Food: This is a physical party (and jumping and food don't go well together) so please keep your food choices simple or stick with cake only.
- Cupcakes/Cake (cupcakes are easier for mom)
- Ice cream cups and spoons (optional) (we have a freezer)
- Plates, napkins, forks
- Plastic (no sharp knives, please) Cake server, candles, lighter
- Closed drinks for the children
- Drinks for adults (coolers are ok...2 liters, cups and ice are harder, opt for cans and bottled water instead)
- Hand sanitizer for before cake time
- Baby wipes for after cake time
- Balloons (bring your own pre-filled, or pre-order ours)

You are responsible for clean up after your party, and we have supplies on hand for you. Saturday morning parties, please remember that we close at 12noon, and we need your group to be out no later than 12:15 to prepare for private parties. Thanks for all of your help!

Private Parties

If you are using our "Unlimited Lemonade" then you only need to walk through the door with a cake and candles! (We have the cake server, lighter, and paper products for cake time.)

If you are bringing food....

Please remember that this is a physical party (and that jumping and food don't go well together) so please keep your food choices simple...nothing that needs to be heated...or stick with cake only.
